

# OPEN ERA-NET PROJECT CALLS

## **ERAMIN-2 ERA-NET Co-fund R&D Projects Call:**

**Topics:** Primary Resources, Design, Machining, manufacturing and re-manufacturing, Secondary Resources (Recycling of the outdated products)

- Open: 1 February 2017
- Close: 5 May 2017

## **QuantERA Quantum Technologies Call 2017:**

**Topics:** Quantum communication, Quantum simulation, Quantum computation, Quantum information sciences, Quantum metrology sensing and imaging, Novel ideas and applications in quantum science and technologies

- Close: 15 March 2017

## **TRANSCAN-2 Cancer Call:**

**Topics:** "Minimally and non-invasive methods for early detection and/or progression of cancer"

- Close: 13 February 2017

## **E-Rare (Rare Disease Research) Call:**

**Topics:** Transnational Research Projects for Innovative Therapeutic Approaches for Rare Diseases

- Close: 1 February 2017

## **SOLAR-ERA.NET 2017 Call:**

**Topics:** Innovative and low-cost PV manufacturing issues, Advanced PV products and applications, PV system integration, CSP cost reduction and system integration

- Close: 20 February 2017

## **FLAG-ERA 2017 Call:**

**Topics:** Graphene (Basic Research), Graphene (Applied Research and Innovation), Human Brain Project (Basic and Applied Research)

- Open: 12 January 2017
- Close: 14 March 2017

**ERA-NET Cofund Sustainable Urbanisation Call:**

**Topics:** Robust Knowledge, Indicators and Assessments, Multi-level Governance and Management of the Food-Water-Energy Nexus, Managing Potential Strategies and Solutions to address emerging, Risk and Tradeoffs at the intersection of Sustainable Urbanisation and the Food-Water-Energy Nexus

- Close: 15 March 2017

**CHIST-ERA II Project 2016 Call:**

**Topics:** Lifelong Learning for Intelligent Systems, Visual Analytics for Decision-Making under Uncertainty

- Close: 17 January 2017

**EuroNanoMed III 2017 Project Call:**

**Topics:** Regenerative medicine, Diagnostics, Targeted delivery systems

- Close: 16 January 2017
